Minnesota Lyme Association  
P.O. Box 533 Hugo, MN 55038  
www.mnlyme.com

***March 2011***

***Dear MN Community Business Owners and Managers,***

***The Minnesota Lyme Association***, an affiliate of the National Lyme Disease Association and a 501c3 corporation, needs your help advancing awareness of Lyme disease and other tick-borne illness in Minnesota during our yearly fundraiser:

***This year's event will be a family festival at Lions Park in Hugo with kid's games, food, music, and, of course, Lyme information and demonstrations.***

With your **tax-deductible donation**, we can continue to educate the community and healthcare professionals about Lyme disease prevention and what to do if bitten by a deer tick.

Our funding, which provides materials and outreach programs, is generated through generous donations from corporations, community businesses and our annual fundraising event.

***It will take a community effort to advance awareness  
of the Lyme disease epidemic.  
Here are ways you can help:***

- Sponsor the event as a Vendor Sponsor (\$200), Partner Sponsor (\$500) or Corporate Sponsor (\$1000).
- Make a cash donation to MLA, P. O. Box 533, Hugo, MN 55038
- Donate product to be raffled
- Have our brochures available in your business for customers to take
- Invite us to speak at any service organizations to which you belong
- Become an ambassador by directing those affected by Lyme to our website

The mission of MLA is to provide a supportive environment for people affected by Lyme and other tick-borne disease, and to educate the public and health professionals in the prevention, diagnosis and effective treatment of such diseases.

***Each and every Minnesotan is one tick bite away  
from the devastating effects of Lyme disease.***
